● Do you often ask people to repeat what they have said?

● Have you been told that you speak too loudly?

● Does your family complain that the TV is too loud?

● Do you have difficulty in following conversations?

If Yes, We are here to guide you.

What you need to know

Hearing aids are no longer bulky ear plugs and devices that are cumbersome and cause inconvenience. Technology has upgraded these devices to a level that they feel like a part of your body.

Selection of a Hearing aid without proper guidance and fitting [programming] is like a car in the hand of a wrong mechanic.

This is where Shravan can help.

Shravan - A one stop solution to all your hearing needs

With a full fledged professional team working under one roof
